

TRC Retail Collection Container Order Form

Use this form to order mercury thermostat recycling collection containers. Retailers must also complete the attached participation agreement. The containers are supplied with everything needed to return out-of-service mercury thermostats to the Thermostat Recycling Corporation.

Each container holds approximately 100 thermostats. You may wish to order two so that you will have one while the other is in transit.

A one-time \$25.00 fee per container is required to participate. Payments may be made by credit card or by check / money order, payable to the *Thermostat Recycling Corporation*. Orders should be sent to:

Thermostat Recycling Corporation
Dock 4/MN10-3860
6801 Sandburg Road
Golden Valley, Minnesota 55427

For each full container you send in, a replacement container will automatically be sent to you. You will not need to order a replacement container.
