

## **Fact 1:**

**It's very easy to recycle mercury thermostats.**

## **Fact 2:**

**It's something you gotta do, because it's the law.**

# Drop mercury thermostats off at your local HVAC wholesaler.

That's all you have to do to make sure the thermostat is properly recycled. Next time you complete a job, hang onto the thermostats you remove and go to [thermostat-recycle.org](http://thermostat-recycle.org) to find the drop-off site near you. The service is free and it helps us help you protect the environment.

Recycle thermostats through the TRC, it's smart and easy. Very easy indeed.
